

## Kendall 5 Quart In-Room Container with SharpStar Lid

**Description** • Mailbox-style lid can be kept closed when container is not in use

- Minimizes overfilling, "FULL" shows at maximum capacity
- Transparent containers also allow for visual monitoring
- Economical horizontal drop maximizes use of container volume
- Containers lock for final disposal
- Dimensions (H x W x D) 11 x 10<sup>3</sup>/<sub>4</sub> x 4<sup>3</sup>/<sub>4</sub> in.

Image(s) are representative of the product group and not necessarily the individual product.
