

BD Sterile Enteral Oral Syringes

Description • Provides syringe pump performance, sterility and differentiation of design and appearance all in one solution

- Amber colored plunger rod eases oral delivery in low-light conditions and provides contrast between medicine and barrel
- The clear barrel provides simple view of medication in any situation
- Bold print makes reading scale markings easier
- Non-luer compatible BD UniVia connection is designed to reduce risk of tubing set misconnection
- U.S. made with FDA 510(K) clearance
- **Sterile**
- Packaged individually
- For oral use only
