

3M N95 Particulate Respirator

Description • NIOSH approved for at least 95% filtration efficiency against certain non-oil based particles

- Features a Cool Flow Exhalation Valve that reduces heat and humidity build up
- Compatible with a variety of protective eyewear and hearing protection
- Adjustable M-nose clip reduces potential for eyewear fogging and helps ensure a secure seal and fit
- Braided headbands; two-strap design with dual point attachment helps provide a secure fit
- Lightweight
- Promotes greater worker comfort
- Contributes to increased wear time
- No spare parts to clean and maintain
- Promotes easier communication
