

## Burkle DispoLance LaboPlast and SteriPlast Disposable Samplers

**Description** The DispoLance disposable sampler can be used for taking large and small sample quantities quickly and easily, directly from bags. The sampler is suitable for free-flowing powders and small-grain granulates. The DispoLance sampler pierces into the container with the sturdy tip and the sample flows through the open inner tube directly into the container or bag that is held underneath.

- Variable sample quantity
- HDPE
- Cleanroom manufactured
- Optionally sterilized by gamma rays
