

## 3M 6000 Series Half Facepiece Reusable Respirators

**Description** • Comfortable, soft, lightweight facepiece with easy-to-adjust head straps  
• NIOSH approved for negative pressure air purifying and supplied air dual airline applications

- Can be disassembled, cleaned, and reused
- Helps provide protection against particulates and a wide variety of gases and vapors when used with approved cartridges and filters
- Replaceable cartridges and filters allow reuse of facepiece (**cartridges and filters sold separately**)
- When properly fitted and used with approved 3M cartridges and filters, this respirator helps provide protection at concentrations up to 10 times the Permissible Exposure Limit (PEL)
- The swept back design of the cartridges helps improve balance and visibility
