

3M Formaldehyde/Organic Vapor Cartridge

Description • NIOSH approved against formaldehyde and certain organic vapors

- Swept-back design for enhanced field of view and balance
- Use with 3M Half and Full Facepieces 6000, 7000 and FF-400 Series with bayonet filter holders
- When properly fitted, helps provide respiratory protection from formaldehyde and certain organic vapors at concentrations up to 10 times the Permissible Exposure Limit (PEL) with half facepieces or 50 times PEL with full facepieces
- Full facepieces must be quantitatively fit tested to claim assigned protection factor above 10 in negative pressure mode
- Not for use in environments that are immediately dangerous to life or health (IDLH)
- OSHA requires that gas-proof goggles (not included) be worn with half facepiece respirators when used against formaldehyde
