

3M* Multi Acid Gas/Organic Vapor Cartridge

Description • NIOSH approved for protection against organic vapors, chlorine, hydrogen chloride, chlorine dioxide, sulfur dioxide, hydrogen sulfide, ammonia, methylamine, formaldehyde, or hydrogen fluoride

- Swept-back design allows an enhanced field of view and comfort
- Wide range of applications reduces inventory needs
- Simple installation and usage requirements reduces training requirements
- Use with 3M* Half and Full Facepieces 6000, 7000 and FF-400 Series with bayonet filter holders
- May be used for gas and vapor concentrations up to 10 times the Permissible Exposure Limit (PEL) with half facepieces or 50 times PEL with quantitatively fit tested full facepieces
- Recommended applications for the cartridge include batch-charging, chemical clean-up, chemical transfer, cleaning, and hazardous waste handling
- The cartridge has been assigned the color code "olive" in the NIOSH system
