

3M Mercury Vapor/Chlorine Cartridge

Description • NIOSH approved for protection against mercury vapor, chlorine and certain particulates

- Swept-back design allows an enhanced field of view and comfort
- Bayonet compatibility allows use with many 3M half and full facepiece designs
- Passive End-of-Service-Life Indicator (ESLI) for mercury vapor shows when cartridges need to be replaced
- Simple installation and usage requirements reduce training needs
- Use with 3M Half and Full Facepieces 6000, 7000 and FF-400 Series with bayonet filter holders
- The cartridge has been assigned the color code Orange in the NIOSH system
- The cartridge may be used for vapor concentrations up to 10 times the Permissible Exposure Limit (PEL) with half facepieces or 50 times PEL with quantitatively fit tested full facepieces
