

I-Chem Nalgene Certified Wide-Mouth Amber HDPE Bottle with Closure

Description • Durable construction

- Guaranteed to be leakproof and break resistant
- Amber HDPE containers are recommended for light sensitive products
- Polypropylene caps are assembled onto containers
- Wide mouth for easy filling and emptying

Certified containers come with the following features:

- Certified to meet or exceed EPA performance-based standards for metals and water quality parameters including Diquot and Paraquat
- Certificate of Analysis (CofA) included in the case and barcoded with lot number for traceability
- Each container individually barcoded with lot number and unique container number
- Analysis labels included unattached for optional use
- Carton sealed with security tape providing tamper evidence
