

Labconco Amber Fast-Freeze Flask Bottoms

Description • Fast-Freeze Flasks attach with adapters to valve ports on Labconco Drying Chambers and Manifolds

- Amber-colored glass bottoms only
- Fast-Freeze Flasks are compatible with any brand freeze dryer that has $\frac{1}{2}$ in. or $\frac{3}{4}$ in. diameter valve ports
- Tops, bottoms, adapters, and filter paper are available separately as replacement components

Image(s) are representative of the product group and not necessarily the individual product.
