

Berkshire Bond Heavyweight Cleanroom Paper

Description • Heavyweight cleanroom paper made with the purest-quality cellulose from specially selected forests and is specially coated to minimize particle and fiber release

- Heavy 104 g/m (28#) weight, durable for double-sided and archival documents
- Class A, B & C/ISO Class 3-7
- Use like normal paper for writing, copying, and printing
- Compatible with all standard photocopiers and laser printers without jamming
- BCR Bond can be gamma irradiated for use in sterile applications
- Not recommended for use with inkjet printers
- Purest cellulose to minimize contamination
- Specialized coating to reduce particles, fibers and microorganisms
- Smooth surface reduces surface particle contamination
- Retains toner from copiers and laser printers to reduce smudging
- Full lot tracing on every case
- Double packed for cleanliness
