Ohaus Starter Conductivity Pen Meters

Description • Pen meters for basic testing of the total ionic concentration within a solution
• Six models that can measure within three different conductivity ranges
• For every application that requires portable operation and quick results
• Simple operation in a slim and portable design
• Durably constructed to withstand wear and tear resulting from repetitive use
• Equipped with a wrist strap that helps to prevent unintentional dropping
• Constructed with an IP67 waterproof design that can prevent water damage when accidentally dropped into liquid
• Automatic shutdown after 15 minutes of inactivity preserves battery life
• Operates using four (4) AG13 1.5V Micro Alkaline batteries
• Accuracy: +/-1.5% FS
• Dimensions: 185 x 45 x 38 mm
• Weight: 110 g
