

KIMTECH A7 Ankle High Shoe Covers

Description • A7 Ankle High Shoe Covers protect the shoelace area, closing a gap that could be a vehicle for contamination not addressed by traditional shoe covers

- They also deliver a higher barrier of liquid protection and superior grip
- Features two elastic bands - above and below the ankle
- Easy to don and doff
- 100 shoe covers/bag; 3 bags/case; 300 shoe covers/case

Image(s) are representative of the product group and not necessarily the individual product.
