

31-Day Blister Cards

Description • Cold pressure sensitive seal

- Quickly load and dispense medication without using a time consuming and expensive heat sealer
- Sealed blister cards are airtight and moisture proof
- Cards provide ample room for warning labels, written dosing information and packaging information
- Blister cards are available in three set quantities: 50, 250 and 500
- Sets include blisters and cards
- 31-Day Blister Cards are available in Small, Medium, Large, and X-Large blister sizes
- Plastic Sealing Tray is available separately (Cat. No. 553-11077)

Punch Card Cavity Depths:

- Small: $\frac{1}{4}$ in.
- Medium: $\frac{3}{8}$ in.
- Large: $\frac{1}{2}$ in.
- X-Large: $\frac{5}{8}$ in.
