

Dynalon Ribbed Matting

Description • Clear polyethylene ribbed matting

- Perfect floor liner goes down quickly and lies flat
- Ribs hold dirt until it can be wiped away
- As a shelf and drawer liner, heavy weight matting is 5 times as thick as normal shelf liner
- Easily cut with regular scissors but it won't tear
- Also useful under drums or carboys
- Heavyweight matting is 0.036 in. thick with ribs
