

## SMS Frocks with NO Pockets, Elastic Wrists, and Mandarin Collar

### Description • SMS frocks with NO pockets

- Highly breathable and fluid resistant
- Provides great comfort and protection
- ISO Class 6 compatible
- Low-lint, low particulate, excellent particulate barrier
- Designed for controlled environments where fibers and particulate contamination is a concern
- Antistatic treated to protect sensitive products
- Elastic cuffs with thumb-loops make donning gloves easier and prevents exposed wrists and forearms
- Hang-loop for ease of garment storing
- Extra-long knee length
- Mandarin collar provides more complete closure, eliminating the issues associated with lapel style collars
- Six-snap front
