

Topi-CLICK 35 DOSECheck

Description The Topi-CLICK 35 DOSE topical dosing dispenser provides the same advanced technology as the Topi-CLICK 35 and offers EXTRA assurance with graduated marks so the dose starting and stopping points can be easily verified and recorded.

- Features graduated marks at each 0.5 mL
- Bottom of plunger indicates the amount of medication remaining
- Each turn/CLICK of base dispenses 0.25 mL of topical
- Eliminates user-variability
- Consistent automated dosing throughout treatment
- Allows for easy recording of numerical volumes dispensed
- Built-in applicator pad reduces the risk of cross-contamination to others
- Clear Audible CLICKs
- Built-in Visual CLICK points
- Strong Tactile Sensations at each CLICK point
- Accuracy NOT affected by varying formulations
- Accuracy NOT affected by varying bases
- Made of FDA grade materials
- BPA and Phthalate free
- UV block and is Recyclable
