

KleenGuard V80 Monogoggle VPC Safety Goggles

- Description** • Splash protection goggles in the same two-piece goggle frame as other Monogoggle styles, but with a 35% larger lens for enhanced fit and comfort with larger prescription eyeglasses
- Indirect ventilation like the Monogoggle 211 style, but with two additional baffled ports for increased airflow and minimizes condensation and fogging, while protecting from splashes
 - Headband buckles are located towards the rear of the goggle frame to limit interference with peripheral vision
 - Wider nose piece to fit over most half mask respirators
 - Fits over most prescription eyeglasses
 - Clear lenses allow maximum visible light transmission; ideal for indoor use
 - Anti-Fog coating to prevent fogging; ideal for humid environments and temperature variances
 - Hardcoated lenses for scratch resistance and longer life
 - Lenses are made of a polycarbonate material that provides 99.9% UVA/UVB/UVC protection
 - Meets ANSI Z87.1+ standards for impact with a D3 rating for droplet and splash protection
