- Standard 1 in. (25 mm) shelf adjustment
- Easily configurable for stationary, mobile, or wall mount applications
- Unique shelf design minimizes dust accumulation and allows a free circulation of air
- Variety of accessories will contain, identify, organize, and transport supplies
- Robust shelves and posts (sold separately) are designed to function in stationary, mobile, overhead track, and floor mounted track configurations
- Packaging: Wire shelves are priced individually and packaged no more than 4 per carton except 60 in. (1524 mm) and 72 in. (1829 mm) lengths and 30 in. (760 mm) and 36 in. (914 mm) widths, which are packaged no more than 2 per carton
- Plastic sleeves and wedges are included with each shelf

Finishes/Materials:

- Chrome Plating: Nickel-chrome finish for dry, low humidity environments
- Durable chrome finish includes a protective lacquer coat
- BRITE: Economical, chromate finish for dry, low humidity environments
- BRITE finish provides the look of chrome and includes a protective lacquer coat
- Type 304 Polished Stainless Steel: Addresses the most aggressive applications and environments
- All-stainless wire and solid shelf options exist for high temperature automated cart wash and autoclave applications
