

Cytiva Whatman Benchkote Surface Protectors

Description • Cytiva's Whatman Benchkote surface protector is an absorbent lab paper that protects surfaces against hazardous spills

- After use, the bench protector sheet is incinerated or disposed of according to local regulations
- Strong: Benchkote surface protector is strong and tear resistant when wet or dry
- Ease-of-use: Smooth white surface can be written on with ink or pencil and lies flat
- Clean: Suitable for saturation with disinfectant to protect benches where pathogens and other bacteria are present
- Disposable: Benchkote paper can be incinerated after use
- Safe combustion: Polyethylene layer is rapidly consumed when incinerated and does not melt or drip
