

## BioClean PHARMA COVERS Equipment and Glassware Covers

**Description** • BioClean Pharma Covers provide product protection from environmental impurities during storage, processing and transportation with the latex-free elastic providing a secure seal

- They minimize the need for autoclave tape during wrapping and save time when prepping glassware, tubing etc. for autoclaving
- Easy removal minimizes particulate generation and facilitates aseptic technique
- Polyethylene provides a breathable microbial barrier
- Lint-free, moisture, and puncture resistant
- IPA resistant colored thread
- Form fitted
- Fast drying time
- Easy to apply and remove
- ISO Class 4 compatible
- Autoclavable at 121°C to 127°C
- Processed in an NEBB certified ISO Class 4 environment
- Manufactured in a facility holding ISO 9001:2015 and PPER 2016/425 Module D
