

## Corning PYREX Square Glass Media Storage Bottles with Screw Cap

- Description** • Manufactured from PYREX borosilicate glass for chemical and thermal resistance
- Square bottles are easier to handle, require less space (13-20%) on the shelf or in the autoclave and are ideal for mixing, sampling and storage
  - Features include white enamel graduations, large marking spot and a glass ridge molded into the bottle to indicate full capacity
  - Includes linerless, one-piece, autoclavable, orange polypropylene plug seal cap and drip-free pouring ring
