

Topi-CLICK PERL Rose Quartz Vaginal Dosing System

Description • Vaginal dosing system with comfortable and accurate applicator

- The dispenser is a Topi-Click 35 (up to 37 mL capacity) with a hinged shell cap and Snap-on Applicator Port
- The Snap-on Applicator is made with FDA approved clear, flexible soft medical grade polymer
- Provides precise and accurate dosing, 0.25 mL per click
- Produces significantly less residual than the traditional tube and applicator
- Easy-to-use and easy-to-clean
