

Foxx and Borosil PUREGRIP Glass Round Media Bottles

Description • Borosil and Foxx PUREGRIP Glass Reagent Bottles are chemically inert and stable

- When fitted with a plastic pouring ring, dripping can be totally eliminated
- As there is only one size of screw thread for all the bottles from 100 mL onwards, the screw caps and pouring rings are fully interchangeable
- The bottles, pouring rings and caps are autoclavable and sterilizable

Image(s) are representative of the product group and not necessarily the individual product.
