

United Scientific Class A Automatic Burettes, Individually Certified

Description • Self-zeroing burette mounts on a glass bottle

- Includes a PTFE needle valve stopcock, intermediate stopcock and rubber bellows
- Class A, ASTM E-287, meets USP standards, individually serialized and certified
- Includes Schellbach backing for easy reading of liquid levels
- With amber graduations
- Manufactured from precision bore tubing and calibrated To Deliver (TD, Ex) on computer-controlled machines

- Glass bottles with ground glass joints are sold separately. 500 mL bottle size is compatible with the 10 mL automatic burette
- 2000 mL bottle size is compatible with the 25 mL and 50 mL automatic burettes
