

PIP Double-Layered Cotton Seamless Knit Hot Mill Gloves with Double-Sided EverGrip Nitrile Coating - 24 oz

Description • Used for hot metal handling, glass handling, foundries and forging operations

- 100% cotton double-layer seamless construction offers increased comfort, breathability and heat protection
- Double-layered for two layers of heat protection
- EverGrip coating is a special formulated nitrile to resist melting and provide superior grip
- Ambidextrous pattern permits glove to be worn on either hand, extending wear and reducing costs
- Open cuff allows for easy on and off
- Small size fits ladies well
- Color coded hems for easy size identification
